# WELCOME TO OUR COMPANY

**Established in 2012 by Mr. Jagdish Karande, promoter of Unity Industries a 4-decade-old leading integrated upholstery manufacturing company, Unity Fabtext Industries Pvt Ltd is a manufacturer of a versatile range of technical textiles. Our coated textiles division is solely dedicated to customer needs that caters to products made with coated fabrics.**

## OVERVIEW OF OUR COATED FABRICS RANGE

As a pioneer of PVC single-side and double-side coated fabrics in India, We offer a diverse range of products for a wide range of applications in varied industries such as construction, architecture, apparel, sports, advertising, defense, mines, food & agriculture, automobile, transportation and more. Our coated fabrics are fire and weather-resistant as well as UV-stabilized and abrasion and tear-resistant. Made of high-tenacity polyester yarn with a unique PVC formulation, these are easy to fabricate, install and maintain.
